In case that the candidate has failed any of exams for which he applies in Aviation Academy, in previous 90 days, it is necessary to specify it below.

Module	_____	_____	_____	_____
Attempt	_____	_____	_____	_____
Exam Date	_____	_____	_____	_____
Exame is taken in*	_____	_____	_____	_____

* Insert Training Center approval number

Hereby I certify that the information provided is accurate. I also understand that any incorrect information could disqualify me.

Signature of candidate _____ Date _____

General instruction:

The application must be submitted a minimum 2 weeks before the desired date for the exam. The exam can be canceled at least 10 working days before the exam. Reimbursement for the absence or emergency will be valid only with a valid medical certificate. The candidate is not allowed to re-take the exam within 90 days after failing the exam, except in the case of a Part-147 approved maintenance training organization which conducts a course of retraining tailored to the failed subjects in the particular module when the failed module may be retaken after 30 days. To confirm this, the applicant must sign a statement in Section 4. The candidate taking the exam must have a valid document with a picture; otherwise he will not be allowed to take the exam.
